Dear Parents)/Carer(s)

Your child's form tutor had the sad task this morning of informing the children of the death of one of our Year 8 pupils who died tragically last night.

There has been much support at the school for pupils and staff today, with additional counselling and Educational Psychology services provided by the Local Authority, as well as our own in-house support.

The whole school community is deeply shocked and saddened by this tragic event and we will endeavour to continue to support pupils and staff over the coming days.

We send our deepest sympathy and condolences to the family at this sad time.

Yours sincerely

Mrs S J Evans  
Headteacher
